

Announcement: Change of vial tube label

Change of vial tube label of MBL products

Dear Customers,

First of all, we appreciate for your continued support.

Currently, many of our products are stuck a clear color vial tube label. With future versions of the vial tube label will be white. We will use the new vial tube label sequentially from end of January 2022. Description written on the label and product itself are not changed.

Thank you very much for your kind understanding and cooperation.

Sincerely,

MBL
