

Discontinuation Notification**Discontinuation of MBL Products**

Dear Customers,

First of all, please accept our sincere gratitude for your continued support.

Unfortunately, we are discontinuing the following products. Allow us to apologize for any inconvenience this may have caused you.

We will release alternative products in October 2023. The alternative products have improved within-run reproducibility and accuracy in assay by changing buffer composition and other parameters.

Thank you very much for your understanding and cooperation.

Sincerely,

MBL

September, 2023
