

Announcement: New Arrivals

New Arrivals of MBL products, 28 items

Dear Customers,

First of all, please accept our sincere gratitude for your continued support.

We are pleased to inform you that we are launching small size products for particularly popular items from the anti-epitope tag antibody series. It is very useful when you want to do first time trial, compare with several antibodies, or need only a small volume. Please try them this opportunity.

The distribution of free samples for anti-epitope tag antibodies will be terminated on May 29.

We appreciate your interest in our products and look forward to serving you in the future.

Sincerely,
MBL
